

Welcome to Earthlink Ventures

We're thrilled to have you explore our world of innovation, integrity, and impact. Whether you're a farmer looking for better market access, a business seeking e-commerce support, an importer/exporter expanding globally, or someone investing in real estate — you've come to the right place. Together, let's build a future of growth, sustainability, and shared success.

About EV

Multifaceted Enterprise Headquartered in Pune

Earthlink Ventures is a multifaceted enterprise headquartered in Pune, India, operating across four high-impact sectors: Agriculture, Import & Export, E-Commerce, and Real Estate. Our company was founded with a bold vision — to bridge markets, empower communities, and deliver sustainable value across industries.

Whether we're connecting farmers to global buyers, providing robust e-commerce solutions, facilitating international trade, or developing real estate that strengthens local economies Earthlink Ventures is committed to excellence, innovation and ethical business practices.

With a talented team of experts and a strong international network, we help businesses and consumers thrive in a competitive, fast-paced world. Our unique integrated model ensures seamless, end-to-end services for all our stakeholders.

Earthlink Ventures

Why Choose Earthlink Ventures?

- Multi-Sector Expertise
- Innovation-Driven
- Trust & Transparency
- Global Outlook with Local Strength
- Experienced & Passionate Team
- Best Quality at Affordable Prices

Our Vision

To be a globally recognized, innovation-driven enterprise that transforms industries, uplifts communities, and redefines standards of sustainability and service across Agriculture, E-Commerce Import & Export, and Real Estate.

Our Mission

To empower farmers and promote sustainable agriculture by connecting them to national and international markets. To revolutionize e-commerce with seamless, secure, and scalable solutions.
